Bones Found At Village Those Of Teenage Male

COBOCONK (ENS) — Human bones found near here two weeks ago have been identified as those of a male teen about five-foot-three inches with brown hair of medium length.

Tests conducted last week at the Centre for Forensic Science at Toronto revealed the remains had been there about eight months.

The bones were discovered on the edge of a swamp area in the 1,000-acre Balsam Lake Provincial

Park by a Cobocok area resident who was shooting partridge.

No clothing was found, but a pair of white running shoes were located about 40 feet from the spot where the bones were found.

Provincial Police issued a call last week for anyone having information regarding a missing person fitting the above description to contact any O.P.P. Detachment Office.

Bell Telephone Co. Announce Change In Long Distance Calls

Bell Telephone Company of Canada has bought the Dysart Municipal Telephone System, and began operating it on New Year's Day.

D. B. Mitchell, Bell manager for the area, called attention to one change: calls between Minden and Wilberforce are now Long Distance calls. A three minute station-to-station call costs .30c.

All four exchanges in the Dystart system — Haliburton, Minden, Wilberforce and West Guilford — previously had local calling arrangements with each other.

Customers will still be able to pay their bills in Minden and Haliburton. Information as to locations where payment can be made will be included with the first telephone accounts.

The Dystart system was started in 1922 with about 40 customers. Today, there are more than 1,800

customers and 2,100 telephones in the four exchanges.

R. Glen Hodgson, MLA for Victoria — Haliburton, sat on the Dystart Municipal Telephone Commission from 1953 to 1955, the last seven years as Chairman. He recalls the system, in its early days, sold service in nine townships and had a Long Distance line to Lindsay and Fenelon Falls.

In 1957, he said, the Dystart system amalgamated with the Stanhope and Minden systems under the name Dystart Municipal Telephone System. The Commission membership was increased from three to five at this time.

In 1953, Mr. Hodgson's first year on the Commission, the Dystart system had about three or four employees. Today, there are close to 50. In that same year, he says, all service was manual. Now, West Guilford has a dial exchange.

Tribute To Fred Neimann

Haliburton has suffered the loss of an excellent citizen in the person of Fred Neimann, who passed away suddenly on Friday, December 29, 1937. The deceased came to Haliburton in the year 1924 and during the past 43 years he made a remarkable contribution to Haliburton and district.

Fred Neimann was a staunch Orangeman, and in this connection he passed through the many chairs including that of County Master. The deceased was never satisfied to just look back, he was always looking ahead. When he became dissatisfied with the condition of the old Orange Hall he advocated a new one, and though at the time it seemed an impossibility he kept working and a fine new building was soon underway with the result that Haliburton has a well built and attractive Orange Hall that will be a fitting memorial to Fred Neimann as long as it stands.

Always an avid baseball fan, Fred took over the management of the Haliburton team and the local nine played some of the best teams in the province with remarkable success.

The deceased worked on the first Community Arena back in the early thirties and became interested in hockey, an interest that he maintained right up to the time of his demise. When in the late forties an agitation was started for the construction of an artificial arena Fred was one of the committee which travelled to various parts of the province looking over various arenas, but at that time the majority of the people were content with the old rink, however, when the old rink was condemned the present Dystart Community Arena rose in its place. It is pleasing to know that the deceased lived to enjoy the privilege of spending many happy hours in the kind of an artificial ice rink that he had long dreamed.

In 1955 Fred was accorded the honour of being made an honorary Grand Master of the Grand Lodge of Ontario East, a fitting honour to one who had attended Grand Lodge Sessions for 26 consecutive years.

Despite his advanced age the deceased continued a keen interest in various affairs in Haliburton, and at Wednesday's meeting of the Glen Dart Memorial Trophy Executive it was noted that his chair had been vacant for the first time in sixteen years. The Executive passed a motion expressing deep regret in the loss of a loyal and dedicated member.

On May 24 of last year the deceased suffered the loss of his life's companion, the former Emma Marie Weland, but he accepted this inevitable happening with true Christian fortitude and with the aid of a devoted family he carried on as many duties as his advanced years would permit. We understand that Fred was preparing to go to the Orange Hall when he took a coughing spell and his daughter Alina, with whom he had been living, sensed that all was not well and summoned medical aid with the result that the deceased was rushed to the hospital but passed on before oxygen could be administered, which might have prolonged his life.

The body rested at the Welch Funeral Home, Minden where a special Orange Service was held on Sunday evening, December 30 at 7 p.m. under the direction of Wor. Bro. Gordon W. Barr, Deputy Grand Master, Black Chapter, Grand Lodge of Ontario East. Another service was held for neighbours and friends at 8 p.m. under the direction of Rev. John Smith of Lakeside Baptist Church, Haliburton. On Monday the body was taken to Mavnooth, the birthplace of Mr. Neimann, where the service was conducted by the

Ontario Attends U.S. Travel Shows

The prime market areas for Ontario tourism are the larger centres of population in the northern and central U.S.A. One of the many promotion programs undertaken by the Ontario Department of Tourism and Information is their participation in Sports and Travel Shows in many of these cities.

The first show of 1938 took place in Cincinnati, Ohio from January 6-14, and Don Goodwin District Representative of the local office of the Department will be manning the Ontario booth at this show. Other cities included in the program are Kansas City, Chicago, Detroit, Cleveland, Milwaukee, Minneapolis, Des Moines, Indianapolis and Dallas.

Although Mr. Goodwin will be representing all of Ontario it is expected that he will be providing more specific information on Muskoka and Haliburton because of his familiarity with this area.

Parent Education

The office of the Area Superintendent of Schools — N. E. Ward — Minden, is planning an opportunity for some assistance to parents in gaining a working knowledge and understanding in the curriculum of mathematics as now employed in the elementary schools.

The plans, to date, envisage a two-hour program on the four Monday nights of February, 1938.

It is tentatively planned that by the medium of participation, all members shall have some opportunity to use and perform such activities as are implied in the new techniques in this modern program of studies. The initial assembly will be held in the Archie Stouffer Public School at Minden on Monday, February 5, 1938 at 7:45 p.m.

This undertaking is available to all parents of the County, and it is hoped that this procedure will assist the parents in understanding the type of education in mathematics, which is being provided for their children.

Your participation will serve to encourage those who are in charge.

Norm Sisco To Be Guest Speaker

The formal dedication of the Sir Sandford Fleming College and the installation of its first President, Mr. David B. Sutherland, will be held on Sunday, January 7, it was announced at the college last week.

The formal academic ceremony will be held at Saint Paul's Presbyterian Church, Murray and Water Streets, in Peterborough between 3 p.m. and 4 p.m. It will be followed by an open house for the general public at the college's Peterborough campus on McDonnell Street.

The Rev. A. J. Calder of Saint Paul's Church will give the invocation at the formal ceremony, and the guest speaker for the occasion will be Mr. Norman A. Sisco, Director of the Applied Arts and Technology Branch of the Ontario Department of Education.

Change In CNR Express

Changes in the Canadian National Express operations at Lindsay, effective April 1, have been announced by T. L. Sprackett, Supervisor, Express Department, Belleville. "The present system of Express handling which involves the staff of eleven will be consolidated in an enlarged and improved complex at Peterborough."

Mr. Sprackett said it will service an area north and west of the city for some 75 miles. The present Lindsay Express Staff will be given the opportunity of moving to Peterborough in order to handle the increased work load.

Mr. Sprackett stated that there will be no deterioration of Express service as a result of the intended move, and added that deliveries to and from Montreal

are expected to be improved by as much as 24 hours. Billing and other forms of accounting now handled at Lindsay will also be taken over by the enlarged Peterborough operation, supervised by Mr. Les Taylor, Terminal Traffic Manager.

Customers wishing to call Peterborough for specific information will be able to do so by using a no charge Zenith telephone number.

In making the change, similar ones which have been taking place in different centres across the C.N. system, the railway intends to provide the best Express service possible. The new plan, Mr. Sprackett added, will involve the removal of the Station Agent at Haliburton and replacing him with an on hand representative, pickup and delivery service at Haliburton will remain the same.

Ron Stackhouse Playing Good Hockey For Peterborough

Ron Stackhouse of West Guilford, who was the star of the Haliburton Huskies Junior 'D' team for the past two seasons, is now playing with the Peterborough T.P.T. Petes of the O.H.A. Junior 'A' Hockey League.

Stackhouse, with his dazzling hockey ability and scoring know-how, is being missed this season on the Haliburton defence.

Ron started out this season with the Peterborough Junior 'B' club, the Don Byes. He showed up so well there that he was brought up to the 'A' club and he has been there ever since.

On Sunday afternoon last we had the pleasure of viewing the Junior game on T.V. between the Peterborough Petes and Toronto Marlboros, direct from Maple

Leaf Gardens. How thrilling it was to see Ron Stackhouse, a boy from our own area, score the winning goal that gave the Peterborough team a 3-2 upset victory over Toronto.

In the opening minutes of the third period with the score tied 2-2 Stackhouse took a pass right at the Toronto blue line and with a tremendous slapshot he beat Newton in the Marlboros' net. That was the winner.

We join with the hockey fans of Haliburton County in wishing Ron the best of luck in Junior 'A' competition, and we look forward to the time that he will have the opportunity of trying out with a National Hockey League club.

Ron is the son of Mr. and Mrs. Roy Stackhouse of West Guilford.

Letters To The Editor

Mr. Berkeley Feir, Editor,
Haliburton County Echo,
Haliburton, Ontario.

Dear Mr. Feir:

May I have some little space in your paper to address those residents of the Township of Anson, Hindon & Minden who will be called upon to register their votes on the question of a further outlet for the sale of alcoholic beverages in this area.

Shall we examine a few facts? As is well known to all, the following facilities are available to secure these lubricants: two beverage rooms serving both men and women on our main street, and also a liquor store plus a brewers' warehouse.

Added to these, a special banquet licence can be secured by organizations that are responsible for all the management in that area of procedure at the place of their choice. We do not aim to reduce the present facilities but we do feel the present outlets are sufficient.

As an operator of a cottage resort for some thirty years, I have never had one inquiry or any criticism of our present arrangements. In fact two or three of our tenants were very disgusted at some experiences they had when in the village.

Bobcaygeon Here Saturday Night

The Bobcaygeon Ti-Cats will be the opposition for the Haliburton Huskies this Saturday night at the Haliburton Arena, in a regular scheduled Central Ontario Junior 'D' hockey game.

This game should be a real contest, as these two teams are battling it out for the league leadership. Game time will be at 8:00 p.m.

I have five good reasons for voting 'No' in this case, they are my five grandchildren. I will never vote for any movement to increase the hazards on our highways. There will be some revenue to the operators probably, but it will be at the expense of others. Will you give some serious thought to this matter, and on January 15 vote 'No'.

Thanking you for this space,
Clayton P. Rogers,
Moorefield Acres,
Carnarvon, Ont.

Pee Wees Win Tournament

The Haliburton Pee Wees travelled to Oakwood last Saturday to take part in a Pee Wee hockey tournament at the Oakwood Arena. After winning three straight games the team came home victorious with the Vic Jewel Memorial trophy.

In the first game the Haliburton team, who have been unable to beat Minden so far this year, came up with a 3-0 win, and they were on their way to the trophy.

The second game between Keene and Haliburton was a real close one, as Keene was leading Haliburton 5-4 with only four seconds left in the game. But at this time Haliburton with time running out they got the tying goal. No overtime is played in this tourney, but they held a shoot-off which Haliburton won.

In the third game Haliburton had to go all out to nose out Oakwood by the score of 4-3. The Haliburton Pee Wees are coached by Grant Rae, and the manager is Bill Burden.

The Haliburton team play their home games every Tuesday evening at the Haliburton Arena at 7 p.m. Why not come out and cheer them on.

Practical Christianity

The year 1968 offers to each and every one of us new and added opportunities. It remains the personal responsibility of the individual to take these opportunities and make the best of them.

I am grateful for the opportunity given me to come into your home through the Haliburton Echo each week in a new column embracing various issues in Religion and Practical Christianity. The purposes of this column are:

- to direct your thoughts and desires toward Jesus Christ - to present the facts of God's Word in a simple, straight-forward manner - to assist you in your spiritual needs - to answer questions that arise pertaining to Religion and Practical Christianity - to give you an opportunity to express your observations and opinions, beliefs and blessings - to create interest and discussion.

We are living in an age that is increasingly anti-Christ, denying His very existence; scoffing, twisting, distorting and often rejecting the authenticity of His Word, the Bible. Such an attitude is of great concern to me as it is to many other ministers in particular, and therefore, has prompted me to avail myself of this opportunity.

Any opinions I express in this column from time to time are not necessarily the opinions of the Echo management. They are derived from a personal conviction based first and foremost on

God's holy and inspired Word.

I would like to see some active participation from you, the reading audience. Please address your letters to: Pastor Glen R. Pitts, Gooderham, Ontario.

Names of participating individuals will remain anonymous and all correspondence will be kept in strict confidence. Thus, I feel, should allow you to speak your mind freely without any fear of counter reaction and/or embarrassment.

The year 1968 is a journey into the unknown. Each step will be a fresh print in the sands of time. In Joshua 3:4 the mystery of the future is suggested, "For ye have not passed this way heretofore." The limitations of human knowledge are most humiliating. We can tell where a comet will appear in a thousand years, but not where we shall be tomorrow. 1968 lies before us as an uncharted course.

This new year can bring new life, new hope, new joy, new happiness, new goals and adventures. The Bible tells us in II Corinthians 5:17 "Therefore if any man be in Christ, he is a new creature, old things are passed away, behold, all things are become new." Start the New Year with an inward assurance that can be yours as you believe on Christ, the Son of God, as your Saviour and Lord. "For as many as received Him to them gave he power to become the Sons of God, even to them that believe

on His name" John 1:12.

THE CLOCK OF LIFE

The clock of life is wound but once,
And no man has the power
To tell just when the hands will stop
At late or early hour.
To lose one's wealth is sad indeed,
To lose one's health is more,
To lose one's soul is such a loss
That no man can restore.

Sincerely,
Glen R. Pitts,
Pastor of Gooderham
Pentecostal Church,
Affiliated with the
Pentecostal Assemblies of Canada.

GOVERNMENT OF ONTARIO

Hon. JOHN P. ROBERTS, Prime Minister

Township Of Glamorgan 1966 Auditor's Report

To the Ratepayers, Reeve and Council,
The Township of Glamorgan.

I have examined the books and records of the Township of Glamorgan for the year ended December 31, 1966 and have prepared the attached statements.

My examination included a detailed check of all banking transactions, a review of accounting procedures and a verification of the current tax roll as to total assessment and taxes charged thereon. All receipts of 1966 taxes were checked to the roll and all tax arrears received were checked to trial balances of tax arrears. Requests for verification were mailed for all tax arrears. Subsequent collections of tax arrears have been checked.

The following comments are submitted.

CAPITAL AND LOAN FUND BALANCE SHEET

General Fixed Assets - \$32,023.31

During the year council approved the purchase of a garage in the amount of \$3,000.00 on which an offer to purchase had been signed in 1965 and an amount of \$120.00 paid as a deposit. Funds for this purchase have been transferred from current revenues in 1966 and capital assets have been increased correspondingly. Council should consider making application to the Department of Highways for subsidy on this cost.

REVENUE FUND BALANCE SHEET

Cash on Hand - \$3,038.15

In the absence of duplicate deposit slips and failure to adhere to a procedure to balance cash received with deposits, I was unable to verify cash on hand except by attempted reconciliation. The reconciliation of cash for the year indicated an unexplained shortage of \$679.04 compared with an average for 1965 of \$561.07.

Due from Province of Ontario - \$6,423.51

This balance represents the balance of the 1966 road subsidies in the amount of \$3,933.32, outstanding welfare assistance subsidies in the amount of \$435.80 and the balance of claims under the Winter Works Incentive Programme in the amount of \$2,004.39.

Due from the Dominion of Canada - \$4,008.78

This balance represents the Federal Government's portion of the balance of claims under the Winter Works Incentive Programme.

Taxes Receivable - \$18,822.33

A detailed analysis of this account is contained in Schedule 5 of this report.

Outstanding 1966 taxes were checked to the tax roll and verified by checking with subsequent collections. Collections on tax arrears were also checked in detail to trial balances of arrears. Verification of tax arrears was requested directly from ratepayers.

The lack of adequate control over cash receipts hindered greatly an accurate reconciliation of cash receipts with credits for payments on arrears. Arrears from prior years aggregating \$1,891.73 could not be identified in detail and this amount has been transferred to a tax suspense account pending final disposition by council.

Other Assets, Taxes Receivable Suspense - \$1,891.73

This account reflects the total amount of tax arrears of previous years which presently cannot be substantiated in detail. Council should undertake measures to identify and collect this amount or approve write off.

Bank Overdraft - \$3,779.58

This balance is the aggregate of an overdraft of \$5,342.58 in the general account and a deposit balance of \$1,563.00 in the tax account after taking into consideration outstanding cheques. Balances in both accounts were confirmed directly by the banker.

Temporary Loans - \$4,000.00

This loan was verified by direct confirmation with the bank.

Deferred Revenue - \$2,718.55

This balance is the aggregate of overlevies for schools of \$2,640.00 and for the county of \$78.55.

Reserve for Working Funds - \$3,153.68

This amount has been provided in prior years for working funds. No additional amount has been provided in 1966. Council should consider increasing this reserve in 1967 by appropriation of surplus.

Surplus - \$19,456.79

The operations for 1966 resulted in a surplus of \$4,805.91 in addition to the surplus of \$13,322.57 carried forward from 1965. Adjustments affecting prior years aggregating \$1,328.31 have been added to surplus during the year. An analysis of this account is included as Schedule C of this report. Council should consider carefully the amount of the surplus in striking the rates in future years.

GENERAL

Accounting

Accounting and office procedures existing in 1965 persisted throughout 1966. However changes in personnel and office facilities subsequent to the year end should result in improvement for subsequent years.

OPINION

Subject to the qualifications concerning the control of cash, and the amount of tax arrears as commented on in the foregoing, I hereby report that, in my opinion:

- (1) The financial transactions which have come under my notice have been within the powers of the municipality.
- (2) The audit has been conducted in accordance with the instructions of the Department of Municipal Affairs.
- (3) The financial statements present fairly the financial position of the municipality as at December 31, 1966 and the results of its operations for the year ended on that date.

They also received a telegram from Buckingham Palace from Her Royal Highness containing congratulations on their 60th Wedding Anniversary and also wishing them both a very Merry Christmas.

An item of note was perhaps the longest long distance call to the village which came to Mr. and Mrs. C. Kellar from Mr. and Mrs. Blair Anderson (their daughter) of Durban, South Africa.

Holiday guests with C. Yearwoods included Mr. and Mrs. Paul Yearwood, Mr. Lawrence Yearwood and Mr. and Mrs. Bob Normile and Judy.

The Tory Hill ladies served a dainty lunch, bringing a very enjoyable evening to a close.

SUGAR AND SPICE

by Bill Smiley

WELCOME TO '68

Well, to get on to a profound start, we're all a year older than we were when we entered 1937.

As usual, there are exceptions to the rule. Some of us weren't born until June, and are only six months older. Others, after the Dionysian rites of New Year's Eve, are eight years older.

But count your blessings if your bursitis, your blood pressure and your belly are not hurting more, up more, or sticking out more.

And count some more if you've made a friend, had a thrill, done one good thing, loved somebody, and stayed out of the clutches of the boys with the strait-jackets.

I've managed to do all these things, these simple things, and feel that this makes up, in some measure, for the fact that 1937 was probably the most harrasing year of my entire life.

The last year has been one of those nightmares in which you only realize you're awake when you pinch yourself and it hurts. And when you pinch yourself and it doesn't hurt, it means only that you're so numb you can't feel.

My first-born quit college and went on the bum, the bum. Mexico, New Orleans, Montreal, Expo and now New York, where he's studying acting. My brown-eyed baby, to whom I once told bed-time stories about Munkle-Uncle-Untie and others, hates school from the depths of her soul and wants to go away and be a waitress and LIVE. My wife is a kept woman (kept by me, I might add) in the city, and when I do see her, wan't to talk until 4 a.m. about Nietzsche, Schopenhauer and a lot of other people I can't even pronounce, let alone spell.

Sometimes I felt like crying, bursting into tears, and letting the drips fall where they may. But I can't. The floor has just been polished. And somebody has to take out the garbage, and drive the cleaning lady home.

But, as you can see, there's something cheering about the whole thing. There's no place to

go but up.

Maybe Hugh will become a famous actor. Maybe Kim will become a waitress who doesn't have her thumb in the soup. Maybe the Old Lady will become normal.

And, who knows, maybe this is my big year. Maybe I'll break 100 in golf! Maybe I'll write the Great Canadian Novel? Maybe I'll get my Christmas tree to stand up?

Thus, hope springs eternal in the human breast. One milestone nearer the grave, but also a milestone passed in the effort to live life with dignity, humour and love.

Perhaps you don't like those three terms. Perhaps you'd prefer rectitude, righteousness and religion. Or industry, intelligence and integrity. Fair enough.

I like mine because they're more difficult. I find it extremely hard to be dignified, no matter how I try. It's almost impossible to retain a sense of humour when you have Rotten Kids. And it's extremely difficult to love. Truly and without qualifications.

This is all very abstract. Let's get down to concrete examples. Have you ever tried to be dignified while performing a flying tackle at your daughter in the snow in the back yard as she's leaving home for good, at midnight?

Have you ever tried to retain a gay sense of humour when your home form has given you, for Christmas, instead of the crock you confidently expected, a bottle of shaving lotion? (Some people can drink it; I can't.)

Have you ever tried to love someone with bad breath, a constant sniff and dirty fingernails, but who is basically a good, dull person?

Ah, well, the hell with it. It's another year. Once a square, always a square. And all three members of my family agree that I'm the most perfectly rounded square they've ever met. But I'm trying to become at least a parallelogram in '68. And the same to you.

IN MEMORIAM

BARRY — In loving memory of Ross Barry, who passed away on January 1, 1960.

We often sit and think of him when we are all alone,
For memory is the only friend that grief can call its own;
Like ivy on the withered oak, when all other things decay,
Our love for him will still keep green and never fade away.

—Lovingly remembered by Mother and Dad, Charles and Bertha Barry, and his children Bernard, Susan, Lois, Margaret and Ross.

GAINFORTH — In loving memory of my husband John, who passed away December 31, 1965. Softly the leaves of memory fall, Gently we gather and treasure them all;

Unseen, unheard, they are always near,
Still loved, still missed, and very dear.

Though sunshine passes and shadows fall,
Love's remembrance outlasts them all.

—Lovingly remembered by wife Emmeline.

GAINFORTH — In loving memory of a dear Dad and Grandfather, who passed away December 31, 1965.

He is gone but not forgotten,
And, as dawns another year,
In our lonely hours of thinking
Thoughts of him are always near;
Days of sadness still come o'er us,
Many think the wound is healed,
But they little know the sorrow
That lies in the heart concealed.

—Always remembered by Greta and LeVerne.

GAINFORTH — In loving memory of a dear father and grandfather, John Gainforth, who passed away December 31, 1965. Two sad and lonely years have passed

Since our great sorrow fell,
The shock that we received that day,

None can ever tell;
God gave us strength to meet it
And courage to bear the blow,
But what it cost to lose you
No one will ever know.

Its lonely here without you,
We miss you more each day,
For life is not the same to us
Since you were called away;
You bade no one a last farewell
Nor even said good-bye,
You were gone before we realized
And only God knows why.

—Sadly missed and ever remembered by daughter Arthella son-in-law Leslie and grandchildren Carmen, Brenda Lynn, Dale and Laureen.

H.H.S.S. Honour Students' Banquet

The teaching staff of Haliburton Highlands Secondary School again gave a banquet in honour of students who received 75 per cent or better in last June's examinations. The cafeteria staff, under the direction of Mr. Mark Schell, provided a delicious turkey dinner. Members of the Haliburton County District High School Board and the Advisory Vocational Committee were also guests of the teachers.

After the dinner everyone went to the auditorium and there Mr. Dean Kemp and Mr. Paul Chevrier presented the honour students with pins and bars. Mr. Kemp in his talk to the students said: "It is not the marks or the number of books that you have read nor the knowledge that you have acquired in the classroom, but rather the attitude that you undertake in your studies that is important... Attitude consists of interest, assessment of

abilities, persistence, respect for our fellowman regardless of his point-of-view, and most important there is no easy road to success. Work is the price of success and it seems the more we work, the more willing we are to work."

Mr. Keith Hill, Chairman of the High School Board, in his able manner also addressed the students and said that: "Happiness always brings success, but success does not necessarily bring happiness."

The evening concluded with the showing of two National Film Board films entitled "Circle to the Sun" and "Begone Dull Care."

The Scholarship Committee consisted of the following teachers: Chairman - Mr. M. R. Herlihey, Secretary - Mr. K. Jermyn, Treasurer - Mr. P. M. Valentine, Directors - Mr. J. D. Hodgson, Mr. Wm. Munro, Mrs. Anna English.

Fotheringham in memory of Miss Margaret Rose who made possible the panelling in the Sanctuary. The new drapes on the pulpit and communion table were dedicated to the Glory of God, placed there by the efforts of the ladies of the Church. Mr. Gordon Barr gave an interesting sketch of the Church from its humble beginnings up to the present. Mr. McAllister brought a fine message on the Old Christmas Story.

Mr. and Mrs. Allen Hadley spent Christmas with Mr. and Mrs. Bob Hadley and family at Barrie.

Mr. and Mrs. J. J. Hunter visited Mr. and Mrs. Ivan Hunter of Ottawa.

Miss Elva Whitcomb, Bryan Monahan and Leslie Fotheringham of Toronto spent Christmas at the home of Mr. and Mrs. Bob Fotheringham.

NOTICE

TO RATEPAYERS OF ANSON, HINDON & MINDEN

The hearing of the Restricted Area By-Law No. 14-67 of the Municipality of Anson, Hindon & Minden will be held in the Municipal Council Chamber in Minden on Thursday, January 11 at the hour of 11:00 a.m.

GORDON BIBBY, Clerk.

Let's Get **SERIOUS !**

Men Who Think Of Tomorrow Practice Moderation Today

It's Up To You - **VOTE "YES"**

You have an obligation to the children of this community — your children. You are bound to make decisions that often affect their well-being in this community. You want your community to be a place where your children can grow and develop into good citizens of this country.

It has been repeatedly suggested that in casting your ballot in the coming dining lounge and cocktail lounge vote, you must consider carefully the effect upon your children. Prominent medical leaders today point out that the open sale of liquor under the proper types of control has the best possible effect upon our children. They point out that a child used to the open sale of liquor does not consider it a forbidden fruit and therefore does not over-indulge when he becomes older.

UNITED NATIONS HEALTH REPORT

"There is no connection whatsoever between the number or type of liquor outlets and the consumption of alcoholic per capita of any country. An example is Italy where there is every type of outlet and a very large number of them."

"Here the number of alcoholics is among the lowest in the world, proving that outlets do not affect alcohol consumption but rather the temperament and religious stability of the people account for excess drinking in any country."

Our Minden Area Businessmen's Association is anxious to attract more tourists to our area. It would seem expedient to make any service available which would help to make their stay more enjoyable and encourage them to spend more time in our town.

We think your decision will be made on a practical and sensible basis, thinking positively, that moderation should dictate all our behaviour, that the hotel guest should have the privileges he has at home, and that our area here should have the same privileges as other tourist areas.

Let's give business here the opportunity to extend fine hospitality to our summer visitors by voting "YES" at the polls on Monday, January 15th. The Minden Area Businessmen's Association have agreed to cover the expense of the vote on the town's behalf, rather than burden the taxpayers with this expense.

TOURIST - TOURIST - TOURIST

The tourist industry represents 95% of the business in the Haliburton district. The butcher, the baker, the candlestick maker depend on the tremendous tourist business for 70% of their income.

Coming Events

Annual Meeting of Hyland Crest Auxiliary on Tuesday, January 9, 1968 at 8 p.m. in the Craft Room.

The Haliburton School of Fine Arts will be offering a weekly painting and drawing session for interested people at the new Headquarters located in the office of the late Dr. L. H. Carroll on Highland Street in Haliburton. A meeting will be called shortly by Mrs. Carole Finn for those interested in attending these sessions. Please watch for notice of this meeting and plan to attend if you are interested.

Fred Neimann

(Continued from Page One)

Rev. Schroder.

Pallbearers were Delmar Neimann, Ardra Neimann, Ted McGahay, James Varcoe, George Moore and Cloyse Varcoe. Honorary pallbearers were Arnold Roberts, Andrew Curry, Cecil Winter, Bill Ward, Ronald Davies and Dick Schell.

Interment was made in Lutheran Church Cemetery, Maynooth.

Surviving the deceased are two daughters and one son, namely Alna 'Lynn' (Mrs. N. Grose) of Haliburton, Clara (Mrs. Varcoe) of Roseneath, and Emil of Haliburton; five grandchildren and three great grandchildren.

We feel the following lines sum up the feelings of the many friends of the deceased:

We walk life's pathway together,
With those who for many a day
Have been our close friends and leaders

Along the Onward way.
Then comes the clear call to service

In a higher and better sphere.
And we miss those faithful comrades

Whose friendship we held so dear.
And yet we feel their sweet presence

As we travel along the road,
Which some day will bring us to them

In the paradise of God.
